This checklist gives you information on what you need to do to prepare for this course.

Your success in this course depends on completing this Precourse Preparation Checklist.

Bring this checklist with you to the course.

You must do these to prepare for the course:

- Complete a BLS for Healthcare Provider Course or be able to perform high-quality CPR and use an AED according to 2005 guidelines
- Understand the 10 Core Cases in the *ACLS Provider Manual*
- Understand the ALCS algorithms and flowcharts for the Core Cases in the *ACLS Provider Manual*
- Complete the ACLS Self-Assessment Tests on ACLS ECGs, Pharmacology (on the ACLS student CD)

Check what you have accomplished for your precourse preparation:

- CPR Competency
- 12 Core Cases
- Algorithms and Flowcharts for 12 Core Cases
- ACLS Sell-assessment tests

Bring this checklist along with your ACLS Self-assessment Tests scores to your course.

I understand the need for significant precourse preparation, and I understand that without adequate precourse preparation I may not successfully complete the ALCS Course.
