

AMLS & PHTLS

Advanced Medical Life Support

Advanced Medical Life Support takes a practical approach to assessing and treating adult medical emergencies. **AMLS focuses on** abdominal and chest pain, altered mental status, shock, and dyspnea etiologies. Emphasis is placed on history taking and the physical examination skills necessary to obtain critical information from vague medical complaints. This course does help meet National Registry requirements.

Required Text for ACLS (Sold Separately):
 PHTLS Provider Text 6th Edition ISBN 0-87493-496-6

Volunteers Needed for AMLS & PHTLS

We need 5 volunteers per session to ensure that these educational experiences are a success! Volunteering will expose you to Emergency Medical Services and take your knowledge base to the next level. Registration can be made the day before the session as long as there are seats left.

As a volunteer, you will be moulaged and designated to role-play the victim of a medical scenario. Please wear old, loose, comfortable clothing, as you may be on the ground for some scenarios. These scenarios may involve hands-on physical assessments.

You may volunteer for with one day or both. The 5 volunteers in each session will receive a free SFPA t-shirt plus invaluable experience!
